

PUBLIC SERVICE BOARD
PUBLIC NOTICE RE:
EARTH BROTHERS, LTD.'S
PROPOSED SOLAR ELECTRIC GENERATION FACILITY
IN NORTH SPRINGFIELD, VERMONT

PSB Docket No. 7877

You are hereby notified that Earth Brothers, Ltd., d/b/a Black River Produce, has filed a petition with the Vermont Public Service Board ("Board") for a Certificate of Public Good ("CPG"), pursuant to 30 V.S.A. Section 248(j), authorizing the installation of a 382.8 kW solar electric generation facility on the roof of the Black River Produce facility located at 449 River Street in the Town of North Springfield, Vermont.

The proposed project will consist of 1595 roof mounted photovoltaic solar panels. Each panel will be racked in 61-inch repeating rows. The panels & inverters will extend less than 2 feet above the roof structure and will not be visible from River Street except for just above the main entrance. More detailed information is available in the petition, copies of which are available for review at the Public Service Board's offices at 112 State Street, People's United Bank Building, 112 State Street, Montpelier, Vermont, and at the Springfield Town Clerk's Office, located at 96 Main Street in Springfield, Vermont. Information on this proposed project is also available on the Board's website: www.psb.vermont.gov

Persons wishing to submit comments as to whether the petition raises a significant issue with respect to the substantive criteria of 30 V.S.A. Section 248 **must file their comments with the Board on or before July 13, 2012.** Any comments should be sent via U.S. mail to Vermont Public Service Board, 112 State Street, Montpelier, VT 05620-2701, or via e-mail to psb.clerk@state.vt.us. If no comments raising substantive issues are received, the Board may grant a CPG without a hearing.
